4.	<p>RUSS 1412 Beginning Russian II (4 Credits) (3 Lec., 2 Lab. = 80 Contact Hours) Prerequisite: RUSS 1411 or the equivalent or demonstrated competence approved by the instructor. This course is designed to further develop students' overall language proficiency and cultural knowledge through more advanced reading, listening, speaking and writing exercises. Grammatical concepts are reviewed and expanded.</p>
6.	<p>RUSS 2312 Intermediate Russian II (3 Credits) (3 Lec. = 48 Contact Hours) Prerequisite: RUSS 2311 or the equivalent or demonstrated competence approved by the instructor. This is the fourth semester of academic transfer Russian. This course is a continuation of RUSS 2311. The stress is on reading, composition, grammatical complexities, and intense oral practice, with continued studies of the culture.</p>

Note that **RUSS 1311** and **RUSS 1411** are identical courses, except that the first is a three-credit hour version and the second is a four-credit-hour version. The same applies to **RUSS 1312** and **RUSS 1412**. What this means is that the course content is the same for both the first and second course in each pair; what is different is the number of lab hours (and consequently overall hours) necessary to satisfy course time requirements. *Because degree requirements and course equivalences vary among universities, students are strongly encouraged to seek advice at their home institutions in order to select courses at Brookhaven College that will transfer most readily.*
